The screenshot shows the MacDonald Family Account website. The top navigation bar includes links for Rankings, Magazine, Sheuneenio, News, Local, Featured Tournaments, Videos, and Club Directory. Below this is a dark navigation bar with buttons for Family Account, Family Members (highlighted), Family Account, Clubs, Events, and Log Out. The main content area is titled "MacDonald Family Account - Home". It contains a text box explaining that players will be associated with a club after submitting a registration form. Below this is a "Selected Program" section featuring the Stowe Vermont Soccer Club logo and the text "Spring 2018 Registration". A blue arrow points to a link that says "Click Here to go directly to the Registration Form". Below the link is a "Register Now" button. At the bottom of the page, there is an "Add Player to Family" button and a section for "Current Family Members".

- Complete the registration form and submit.
- Make sure players have recent, clear photos as they will be printed on their players cards which the referees use to identify rostered players.
- If you forgot your login information you can use the account lookup feature.
- If your child plays for multiple clubs, and another club shows up listed next to a player you want to register for our program, in the row with Player Account or Family Account, click Clubs (not club directory). Then enter Vermont and Stowe. That will bring up Stowe Soccer Club. Click Select and then you'll see Spring Registration, click Select. And Register Now will show up next to that player. Click that to register.
